360 FireIn Stove

Mendota's 360 FireIn Stove's large three-sided viewing means everyone can share in the beauty of the nostalgic look of the stove. The unique FireIn burner is wrapped inside the logs, producing an ultra-realistic flame while producing efficient heat. The hand-painted birch or white log sets further capture the realism and glow of a crackling fire. It just looks and feels right. Contact: www.mendotahearth.com.
