American Fyre Designs Brooklyn Fireplace

The American Fyre Designs Brooklyn Fireplace takes its cue from the popularity of board formed concrete, a process of patterning concrete that leaves a wood grain image on the finish. Featuring minimalistic lines and a concrete gray body capped with a mantel available in French Barrel Oak or Silver Pine finish colors, the Brooklyn is available in vented and vent-free options. Shown in Silver Pine with Real Fyre Charred Majestic Oak log set. Contact: (800) 332-3973 or www.americanfyredesigns.com.

Tempotest StarScreen

Tempotest USA has introduced a new screen fabric, StarScreen, that provides shade and privacy—and absorbs up to 97% of the heat caused by solar radiation—while allowing for the passage of light. The 11 designer colors add to the beauty of any structure and can be used indoors or outdoors. Made from recyclable PET solution-dyed yarns, the fabric is PVC free and fire retardant. It is fade resistant and is treated with Teflon for easy cleaning. Contact: (972) 512-3534 or www.tempotestusa.com.
