

Sf Briefings

8 **ForeThought**

Competition through cooperation

10 **Swatches** ↑

Shelter, comfort and art in tents; it's a wrap for Duty Free Shoppers; theatrical draperies in a kit; shade ensemble for privacy with a view; powered retractable roofs for boats; industry news, company news.

20 **Future Textiles**

Stay warm, keep cool: temperature-regulating fibers in garments can maintain the balance between heat loss and heat generated.

Sf Focus

51 **Expo Watch**

New year, new show: The stage is set for building IFAI's most successful Expo events to date.

53 **Business**

The important role of credit: Why you need to establish and protect your business credit.

57 **Markets**

Fresh and clean: Fabric diffusers give commercial kitchens an air makeover. ↓

61 **World Views**

Floating on the land: ETFE is the solution for a lively French resort.

65 **Connections**

The importance of local action: Many decisions that impact the industry are made at the state and municipal level.

► A market leader for more than 90 years, Parà Group is now present in North America to directly manage with its own staff the distribution and sales of the entire Tempotest® fabrics collection for awnings, marine and outdoor furniture.

**TEMPOTEST USA**, headquartered in Dallas, Texas, operating in North America, offers the superior quality and unique features of Tempotest fabrics, resulting from the experience that Parà Group matured in almost a century of working in the highest expression of Italian design and technology. Since 1921, all Tempotest fabrics are proudly and exclusively made in Italy in our state-of-the-art, vertically integrated factories.

IFAI member since 1998.
